July 17, 2009

Dear Mr. Chandeeep Corea,

Regarding to your paper submitted to the 6th International Symposium on Digital Earth:

Paper ID: 042342975

***Title: Disaster Risk Reduction thru Spatial and Temporal Approaches to
Human-Elephant Conflict Mitigation***

On behalf of the organizing committee of the 6th International Symposium on Digital Earth, I am very pleased to inform you that your paper as shown above has been accepted as oral presentation. To ensure your presentation status and list it in the final program, please kindly inform us your attendance to the meeting and also register at www.isde6.org before July 31. Otherwise, this presentation status could not be guaranteed. So, we advise you to register as early as possible. If you have already registered, please ignore this gentle reminder.

The 6th International Symposium on Digital Earth (ISDE) will be held in Beijing from Sept. 9-12. The symposium will be organized by the International Society for Digital Earth (also abbreviated as ISDE) and Chinese Academy of Sciences (CAS), and co-organized by 16 Chinese and relevant international organizations. The hosting organizations are the Chinese National Committee for ISDE and the Center for Earth Observation and Digital Earth, CAS. The 6th ISDE will be a very important platform for academic exchange in the field of digital earth. Your contribution to the 6th ISDE will no doubt make the symposium successful.

We look forward to seeing you in Beijing.

Sincerely yours,

Guo Huadong, Prof.

Chairman of the ISDE6 Organizing Committee

Director-General, Center for Earth Observation and Digital Earth, CAS
